EXPLAINS WHY WE STILL NEED YOUR SUPPORT FOR OUR EFFORTS TO

ERADICATE POLIO

Let's use World Polio Day to advocate for the support we need to make history by eradicating polio.

GET INVOLVED

Take action this World Polio Day by hosting virtual and community events, creating fundraisers, and talking about the importance of polio eradication on social media.

PLAN

If you haven't started planning your World Polio Day activity, now is the time! Visit the World Polio Day Resources page for tips and tools your club can use to help achieve a polio-free world.

REGISTER

Register your club's participation in World Polio Day to show how you're taking action to eradicate polio. The districts that have the highest percentage of registered clubs by 24 October will receive a special video message from RI President R. Gordon R. McInally.

FUNDRAISE

Use Raise for Rotary to start a World Polio Day online fundraiser. All contributions will go to the PolioPlus Fund. The top Raise for Rotary World Polio Day 2023 fundraisers will be featured on My Rotary.

Together, we end polio!

EVERY ROTARIAN EVERY YEAR

HELP KEEP COMMUNITIES HEALTHY

Your donation to The Rotary Foundation supports members around the world as they work to prevent disease and strengthen communities by helping people access basic health care. Your gift means people have more resources to fight diseases such as polio, malaria, HIV/AIDS, and diabetes, and that keeps communities healthy.

TRUSTEE CHAIR'S MESSAGE

Our goal is in sight

On 24 October, we renew our commitment to our top humanitarian goal for World Polio Day.

This year, let's remember a young health worker in Pakistan known as Bibi Marjana (Miss Marjana). She braves the snow and cold in the mountains to vaccinate 84 children in rural areas, visiting each home, often miles apart.

Marjana is one of the thousands of frontline workers in Afghanistan, Pakistan, and outbreak areas I consider heroes in the final push to end polio. The work they do, coupled with the vision of our partners and the support you give, is moving mountains.

With Rotary's partnership, the Global Polio Eradication Initiative is aggressively pursuing two key goals from its 2022-26 strategy. First, we aim to halt wild poliovirus type 1 transmission. This year, only six cases have been documented as of this writing. Could this be the year we see the last of these poliovirus cases? We're cautiously optimistic that it might.

Second, we aim to report the final case of circulating vaccine-derived poliovirus type 2, or cVDPV2, in outbreak countries. About 80 percent of cVDPV2 cases last year occurred in subnational areas of the Democratic Republic of Congo, Nigeria, and Yemen. We must implement tailored strategies to stop the virus in these areas. Other challenges persist, including

political tensions, security risks and access issues, and the lasting effect of the pandemic in Afghanistan and Pakistan.

Despite these challenges, we are making progress. Poliovirus strains are diminishing, as is the number of affected regions where polio once prevailed. A new vaccine we have introduced reduces the incidence of the circulating vaccine-derived virus type 2.

Rotary is the organization that had the audacity to take on a global effort to protect children everywhere from disability or even death due to polio. We must have the tenacity to see it to the finish line.

What can you do to help us get there, you ask? Join or initiate a PolioPlus Society in your club or district and engage all members in this historic moment. And don't forget that the Bill & Melinda Gates Foundation continues to amplify Rotary's donations to polio eradication with a 2-to-1 match for every dollar.

You can also advocate the cause of polio eradication with governments to secure political and financial support and promote Rotary's leadership role in all media.

Like Marjana marching up the mountain, we have our goal in sight, and we will keep going until we get there.

2. ***Rotary's Areas of Focus:*** These grants align with Rotary's Seven areas of focus, which are vital for global development. By providing funding, Global Grants contribute to positive change in these critical areas.
3. ***Cross-Border Collaboration:*** Global Grants often involve collaboration between multiple Rotary Clubs, both within and across countries. This fosters international cooperation and understanding, helping to promote peace and goodwill.
4. ***Sustainability:*** Global Grants emphasize sustainability, ensuring that projects have a lasting impact on the communities they serve. This focus on sustainability is key to Rotary's mission of making a lasting difference.
5. ***Community Engagement:*** These grants encourage community involvement and ownership of projects. This empowerment helps communities take control of their own development and create sustainable change.
6. ***Professional Expertise:*** Global Grants often incorporate professional expertise and resources, such as medical professionals, engineers, and educators, to ensure the success of the projects.
7. ***Global Network:*** Rotary International's vast network of clubs and members around the world provides access to resources, knowledge, and connections, making it easier to address global challenges.
8. ***Fundraising Support:*** Rotary Clubs often raise funds to support Global Grants, amplifying the impact of individual projects. This collective effort is crucial for tackling significant issues.

9. ***Promoting Peace:*** Many Global Grant projects contribute to conflict prevention and resolution, fostering peace and stability in areas where it is needed most.

10. ***Celebrating Achievement:*** Successfully completing a Global Grant project is a significant accomplishment, not only for the communities served but also for the Rotary Clubs involved. It's a testament to the power of collective action and service.

In summary, Global Grants play a vital role in Rotary International's efforts to make a positive impact on a global scale. They enable communities to address pressing challenges, promote peace, and showcase the potential of international collaboration. These grants serve as a powerful tool for realizing the Rotary motto: "Service Above Self."
